ANNUAL MEETING OF AUBURN PARK FEDERATED CHURCH

The annual meeting of the Auburn Park Federated Church was held on the evening of Jan. 19. A good number were out and participated in the meeting. Representatives from each of the eight different organizations forming this federation spoke on the subject "The Past, Present and Future" of their respective organizations. Mr. R. J. Brown spoke on the future of the Federated Church and the pastor on the Federated idea in church work. In almost every case glowing reports came in from the organizations. The most notable of these was from the Sunday School, showing an increase of 110.3 per cent for the year. From the Sunday School a number have united with the church. The school at the present time is better organized and doing more efficient work than at the first of the year.

The ladies of the Federated Church, the ladies' organization of the church, showed an increase of 126⅔ per cent. This organization, in addition to a very definite constructive social work among the ladies of the community and other types of social work in and for the church, has paid into the treasury of the Federated Church $270 to be applied to local expenses.

The reports from the Novelty Club, the Auburn Park Baptist Church, the Union Congregational Church, and other organizations making up this federation were likewise good. The progress for the year for the church as a whole has been beyond what even the most optimistic had hoped for. The present situation and future outlook is promising. This is the church's answer to the question "Is the federated idea practical in church work?"

Old-Fashioned Box Social

An old fashioned box social will be given by the Men's Club at Auburn Park Federated Church Jan. 28, 7 p. m. This is the first public function of this, the youngest of these federated organizations, and they will bid hard for first place. The evening will begin with flashes of southern melody, to be followed by touches of romance and the portrayal of life as it is by a real artist, Mrs. Saylor. Classical and humorous selections from world-famed composers will be given while the contents of the boxes are being consumed. The boxes are to be auctioned off by Alderman Fisher. A $4.00 "Wear-Ever" aluminum article will be presented by Mr. O. R. Moore to the lady whose box brings the highest price, a two-pound box of candy will be given as second prize, and a third prize will be given.

Church, lodge and club news is welcome, and we publish it free.

AUBURN PARK BUSINESS MEN'S ASS'N TO MEET

The Auburn Park Business Men's Association will hold a special meeting at the White House Restaurant at 2 o'clock Wednesday afternoon.

A well versed speaker on the perplexities of the income tax has been engaged to address the meeting and much information will be derived on this subject.

THE HIT OF HITS—"ROSIE"

A few weeks ago we all went wild over "Margie," but folks, there is a new piece out that has got them all beat, so Mr. C. Larson of the Auburn Music Shop tells us, and it is called "Rosie." It is a fox trot and may be had on a Brunswick record at the Auburn Music Shop at 7954 S. Halsted St.

Many people feel it is no use worrying about increased costs of government, so long as the country owns plenty of presses for printing new paper money.

We are now receiving our regular shipments of that famous soft coal known as "Harrisburg for Heat," which is absolutely the purest coal mined in Saline county. Government analysis will prove this statement; see analysis of coal, Bureau of Mines Bulletin 85, page 37.

We also carry in stock Pocahontas mine run and all other grades of soft and hard coal. Our coals are prepared in sizes suitable for flat buildings, the home and high and low pressure steam and water plants. Quality must necessarily always be considered in buying coal. We would very much appreciate being favored with a trial order. We can assure you any orders placed with us will have our prompt and careful attention at all times.
